2019

Cyber Risk Summit

Santa Monica
October 15 - 17, 2019

Chairs
Jeremy Barnett, Tokio Marine HCC | Adam Cottini, CrowdStrike
Doug Meal, Orrick LLP | Catherine Mulligan, Aon | Catherine Rudow, Nationwide

Agenda

Tuesday, October 15

3:00 PM – 4:30 PM

Afternoon Workshops

Option A: Interactive Business Interruption Scenario (Infiniqo Gaming Session)

This interactive workshop revolves around a simulated ransomware attack. As the situation unfolds, the company's incident response team—and, by extension, the participants—will ask questions and make decisions regarding system restoration, negotiation, payment, legal ramifications, notification, public relations, and more. Each time new information is revealed, there will be a break in the action for live table discussions. Following the discussions, participants will help guide the company's next actions by making selections on their mobile phones.

Panelists
Dave Navetta (M), Cooley
Vinny Sakore, NetDiligence
Anthony Hess, Kivu
Ian Kelly, ID Experts
Zach Olsen, Infinite Global
Tamara Ashjain, Tokio Marine HCC
